Title: Letter of Invitation

Dear Sir/Madam:

This is the letter to sincerely invite you and all Italian delegations to participate in China-ASEAN Mining Cooperation Forum & Exhibition (CAMCFE) 2019.

The China-ASEAN Mining Cooperation Forum & Exhibition, one of a series of activities of the China-ASEAN Expo and the China-ASEAN Business and Investment Summit, has been successfully held for 9 consecutive years (2010-2018) with the joint efforts of all parties, and has achieved fruitful results and now it has become the highest-level and largest international convention between China and ASEAN countries in the mining sector. At the same time, the countries which participating in the China-ASEAN Mining Forum, have expanded to other countries along the Belt and Road and their influence continues to expand.

The year 2019 coincides with the tenth anniversary of the CAMCFE, in the meantime it will usher in the 70th anniversary of the founding of the People's Republic of China as well as the new era of the Belt and Road Initiative. In order to seize the new opportunities brought about by the regional economic reform and development, advance the win-win of the Belt and Road mining cooperation, deepen and expand the cooperation platform in the mining industry between China and ASEAN and the countries along the Belt and Road, the 2019 (10th) China-ASEAN Mining Cooperation Forum & Exhibition, jointly hosted by the People's Government of Guangxi Zhuang Autonomous Region and Ministry of Natural Resources of China, is scheduled on November 13-17, 2019, in Nanning International Convention & Exhibition Center. The theme of the 2019 CAMCFE is "Deepening Mutually Beneficial Mining Cooperation, Accelerating Economic Win-win Development".

The 2019 CAMCFE will hold a series of special events, namely Dialogue between Entrepreneurs of China, ASEAN and the Belt and Road Countries on Mining Cooperation, Seminar on Sustainable Development Policy and Practice of Mining Industry, Seminar on Green Mining Enterprise Development, Seminar on China, ASEAN, & Europe Mining Cooperation, Special Mining Promotion of ASEAN and the Belt and Road Countries, Contract Signing and Promotions of Mining Projects for

ASEAN and the Belt and Road Countries, China-ASEAN Seminar on Geoscience Cooperation and Technical Exchanges, Seminar on Informatization Service of Geology, Mineral Resources and Mining Industry, Seminar on Calcium Carbonate Industry Development and so on, focusing on the sharing of investment achievements and experiences of mining projects in ASEAN and the Belt and Road countries, mining development policies and practices based on environmental protection, sustainable development of green mining enterprises, mining projects and technical cooperation, development and utilization of important mineral resources, geoscientific cooperation mechanisms and prospects, geological minerals and mining information services, and so on.

During the 2019 CAMCFE, the New Mining Technology, Mining Machinery & Gems Expo will be also held simultaneously with theme of “uniting the Silk Road wisdom, strengthening international cooperation, developing green mining and sharing a better life” to reflect the good vision of win-win mining economic cooperation and green sustainable development. More than 400 mining enterprises from China, the ASEAN countries and other countries along the Belt and Road will come to attend the 2019 mining expo. Different kinds of new technologies, new results, new information and new instruments and equipment concerning geological exploration and mining development as well as all kinds of gems and jade, jewelry and other ornamental stones will be displayed. It is a platform for the promotion and exchange of mining products and new mining achievements, which is complementary to the mining cooperation forum.

We hereby cordially invite you and your organization to attend the 2019 CAMCFE and warmly welcome you to present your new achievements and products at the 2019 CAMCFE. We believe that the 2019 CAMCFE will be a great success with your strong support and active participation.

China-ASEAN Mining Cooperation Forum Secretariat
